5. The unique mix of function, workmanship, fashion and style that goes into each and every genuine Coach product, as well as the exclusive cache, results in Coach products commanding a relatively high price at retail. Coach's loyal customer base willingly pays more for a genuine Coach product than they would pay for lesser products both because the Coach products are of higher quality and durability than competitors' and because of the prestige associated with genuine Coach products. Coach is the exclusive distributor of Coach products.
6. Coach has sold leather goods under the Coach mark since 1941. Coach products have long been among the most popular luxury lifestyle items. The Coach mark itself is iconic, symbolizing a unique blend of fashion, craftsmanship, style, and function, whether associated with handbags or other products. Coach and its predecessors have achieved annual sales volume of more than four billion dollars (\$4,000,000,000) on products bearing Coach's trademarks. As such, Coach's trademarks, and the goodwill associated with them, are valuable assets of Coach. Coach owns, among others, the trademark and trade name "COACH" for purses, handbags, and wallets, as well as the highly distinctive mark pictured here (herein, the "Signature C Mark"):

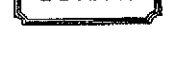

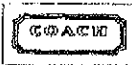

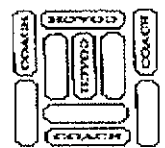

7. Coach incorporates a variety of distinct marks in the design of its various handbags, purses and other products. Coach products typically include at least one of Coach's trademarks registered with the United States Patent and Trademark Office. Often several Coach marks appear on a single product.

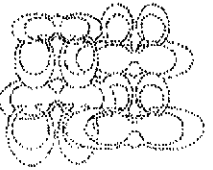

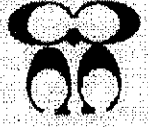

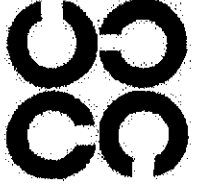

8. Coach has registered its trademarks (collectively, the "COACH Trademarks," a non-exclusive list of which is included below) with the United States Patent and Trademark Office. Coach uses the COACH Trademarks in connection with the marketing of its purses, handbags, and other products.

9. The registrations for the COACH Trademarks are valid, subsisting, in full force and effect, and many have become incontestable pursuant to 15 U.S.C. §1065.
10. Coach products have long been among the most popular purses and handbags in the world, and have been extensively promoted and advertised at great expense. In fact, Coach and its predecessors have expended more than \$100 million dollars (\$100,000,000) annually in advertising, promoting and marketing the COACH Trademarks. Coach products also have been the subject of extensive unsolicited publicity resulting from their high-quality, luxurious materials and designs, and renowned as desired luxury items. Because of these and other factors, the Coach name and the COACH Trademarks have become famous throughout the United States.
11. Coach maintains strict quality control standards for all of its products. All authorized Coach products are sold only through Coach stores and authorized retail channels such as Bloomingdale's and Nordstrom.
12. The Coach name and logos have become famous trademarks identifying the products on which they have long been used as emanating from a single source. Genuine Coach
